# Hi,

I am Pierre-Hugues Vallin, a French designer.

After several years in yacht design, exterior and interior design, including furniture design, I offer you my services as a Designer and 3D Modeler. I have successfully delivered large-scale projects from initial concept to photorealistic visualization. My career with industry leaders such as Porsche Design with the GTT115 project, Dynamiq Yachts, Pininfarina and Zuretti Interior Designers demonstrates my ability to manage ambitious projects with meticulous attention to detail and uncompromising quality.
